# Where in Ridgewood is the Travell Tiger?

Travell's 2021 International Expo will be an outdoor expedition. Come out, have fun and learn about the beautiful Flora and Fauna of our 19 countries on display this year. We have hidden the Travell Tiger within our different country exhibits made by our students and their families. All Ridgewood families are invited to learn about our diverse cultures and help us find "Where in Ridgewood is the Travell Tiger."
