

Welcome back! It's time to start earning money again for our school through Box Tops for Education. Our school earns hundreds of dollars through Box Tops every year that pays for many of the extra programs our children enjoy each year. Many popular products that you may already buy participate in Box Tops, including: General Mills, Old El Paso, Annie's, PaperMate, Nestle Pure Life water, Lysol, Fiber One, Nature Valley, Yoplait, and more. Find the Box Tops symbol, cut it out, and send it in to school.

There will be two contests running this year for the student and the class that collect the most Box Tops. The student who collects the most Box Tops will receive a free bracelet to Mayfair and the class that earns the most Box Tops will receive a free extra recess at the end of the school year. Tallies will be kept on an ongoing basis all year, so there is no need to hang on to them until the end!

Remember to send in all Box Tops in a baggie to school with your child's name and class written on the bag to receive credit for your child and his/her class win!

**The Box Tops program is changing and here are all the things you need to know:**

1. Box Tops is going digital. The Box Tops symbol looks a little different:

(Clip out)

(scan it with your phone)

2. There is a Box Tops App. You can download the Box Tops app from the app store or google play and register to earn for Travell Elementary. Once the app is set up, all you have to do is scan your receipt after you go grocery shopping and it will automatically attach all the money from Box Tops right into our school account. It's that easy.

3. You can link your ShopRite store bonus card straight to Box Tops on the ShopRite website. Then all of the Box Tops will go directly to Travell without scanning or clipping!
4. If you find the original Box Tops symbol on a product, you can still cut it out and send it to school. The old Box Tops are still worth money!!!
5. If you scan your receipt and clip out the original Box Tops and send them to school, we will get double the money!

Last year, Travell ranked 5<sup>th</sup> out of the six elementary schools in Ridgewood in Box Tops earnings. Somerville and Willard beat us by hundreds of dollars 😞 My goal is to be the top earning school in the district this year. Please help Travell reach the top of the pack by clipping, scanning, and sending in those Box Tops!!!

As always, please feel free to contact me with any questions.
