Hello Travell Families!

Sadly- Our annual Family Dance Night had to be cancelled due to the pandemic.
Soooooooooo..... Let's have a ROBOT DANCE PARTY instead!

I hope you have all been enjoying "The Wild Robot" with your family. Roz is one of my new favorite book characters!
I hope your child has been able to practice the robot dance I've shared with them. It is simple to follow and has a very catchy melody (sorry!).
Here's the link to the dance (it's also posted in their PE google classroom):
https://www.youtube.com/watch?v=B-ulfVFtFBs

How? Flipgrid.com is a wonderful website that makes it extremely easy to record a brief video. 3-5th graders have used this website in PE class. K-2 students might need some parent help.

Please record a video of your family doing a little part of the robot dance. I will be compiling these dances together to make it look like we are all dancing together! The more videos I get- the better the Travell Robot Dance Party will be!

Here's the link to the flipgrid page
https://flipgrid.com/a7593ce0

Things to know about FLIPGRID:
- the join code is: 7593ce0
- if it asks you to login with GOOGLE- make sure it is your child's @ridgewood.k12.nj.us login
- Don't worry about the sound in your recording--- When I put the videos together I will be playing music over your sound.

If you have any questions-- please don't hesitate to reach out to me.

Please submit your FLIPGRID family video no later than next Wednesday, 12/9.
I can't wait to see all your videos!

Stay safe,
Livia
