

Good Afternoon,

My name is Stacy Casatelli. I am the RHS Summer School and Summer Enrichment principal. This summer the program will be offered virtually. However, we will still have many classes that your rising 6th graders will want to take advantage of, including Introduction to Middle School, Creative Writing, or Learn to Code.

The Middle School Enrichment Program is offered Monday, July 12- Thursday, July 23 (there is no class on Friday, July 16).

Here is the direct link to the [MS Program](#). I know that many of your students were attending Summer Adventure and would still like the opportunity to continue learning during the summer. All of our middle school courses are available for incoming 6th graders.

Please let me know if you have any questions.

Thank you
Stacy Casatelli
