

This Earth Day, take the [pledge to Go Idle-free at Travell!](#) If you commit, and take the pledge--you'll receive an "Idle free at Travell" car magnet!

Walk to school? You can take the pledge too! Just commit to turning off your car engine when you run errands, pick up kids from sports and playdates or just popping in and out of stores. We can all commit to doing better for our planet's health!

Breathing exhaust fumes is linked to increases in asthma, allergies, heart and lung disease, and cancer. Kids are especially vulnerable because they inhale more per pound of their body weight.

#### 5 Reasons to Stop Idling:

- It saves you money
- It might save you a ticket
- It helps the planet
- It's better for your car
- It's bad for developing lungs

Take the [pledge](#) to turn it off!
